

***JTHM Kills Pacman* by Joseph D. Smith**

Chapter One: The Beginning

Nny: Look at that little druggie... He is always making so much noise gobbling his pills!

Nail Bunny: It's just a video game...

Nny is seen playing Pacman and tweaking out about the noise and the pill popping going on. He is really into the game and can't stop playing, until...

Nny: Oh no! That's all of my life! FUCKIN' GAME!!!

Nny smashes the game controller into the TV and he grabs his machete.

Nny: I am going out to find this elusive creature! I am going to kill his monkey balls of an ass!

Bunny: Go ahead and do what you must, but I doubt you will find him. Is this about the pills?

Nny: What do you mean is this about the pills??? I just don't like his ass! Pill popping is for losers and I will kill all losers who pray off of poor little creatures, like those poor little ghosts...

Nny: I'm going out Nail Bunny, watch the place until I get back. Keep those slaves in line.

Nny gives a big, wide grin, then he leaves.

Bunny: Oh... What am I supposed to do, hang here?

Chapter Two: The Hunt

Nny is cutting through bushes in the woods, with hardly any luck on finding the elusive Pacman.

Nny: Where the hell is he??? Here Pacy-Pacy! Here Pacman!

A faint voice is heard from the distance...

Nny: Ah-ha!

Nny lunges towards the sound, but he is stopped in mid-air by a blood-hurdling scream.

Pacman: Stop!

Nny: It's you!

Nny raises his machete and is ready to attack!

Pacman: Don't hurt me!

Nny: Let me think... NO!

Pacman: So cold... So very cold...

Nny: What the hell is wrong with you???

Pacman: If I am going to die, then so be it! I haven't had any pills in a very long time, atleast not since my game declined...

Pacman cries with cold tears, with severe withdrawal...

Pacman: So cold...

Nny: YOU'RE SO PATHETIC! God I can't stand it...

Nny holds back his machete with pity for Pacman. Pacman runs off into the woods, as Nny vanishes...

Chapter Three: The Kill

Nny: That damn thing tricked me into letting him live!

Nny paces back and forth wondering what went wrong

Nail Bunny: Calm down Nny! He just wasn't meant to be killed.

Nny: I can't even kill a pill popper! A PILL POPPER!!!

Nny hacks at the wall with his machete.

Knock knock

Nny: Visitors??? Who the hell could be knocking at my door???

Nny answers the door, but to his surprise it is Pacman!

Nny: It's you!

Pacman: Please man! You must give me some pills!

Pacman begs Nny for some pellets.

Nny: Get away from me!

Nny boots Pacman in the face! Pacman begins to cry...

Pacman: I just wanted some pills! Please give me a fix!

Nny: I don't have any pills!!! Get away loser!

Nny tries to slam the door shut, but Pacman catches his foot in the door, without even noticing the pain.

Pacman lunges toward Nny, but Nny guts him with his machete!

Pacman: Ugh... You are so... sick...

Pacman takes his last breath...

Nny: I killed him...?

Nail Bunny: Nny! You killed Pacman! Not another one!

Nny goes all wide-eyed.

Nny: I killed him! YAY!

This is a sad day for gamers everywhere...

The End...
